Little Richard, who is five, and who has arrived at the dignity of first trousers, was disgusted when he saw a little neighbor, aged three, arrayed also for the first time in the garments of distinction.

"Now just look what they've done to Wilson's baby!" he exclaimed. "They have gone and put it in pants before they know whether it's going to be a boy or a girl!"—Woman's Home Companion.

A Scientific Discovery.
Kodol does for the stomach what which it is unable to do for itself, even when but slightly disordered or overloaded. Kodol supplies the natural juices of digestion and does the work of the nervous system, while the inflamed muscles of that organ are allowed to rest and heal. Kodol digests what you eat and enables the stomach and digestive organs to transform all food into rich, red blood. H. C. Miller.

At a dinner party the other night Senator Alger was seated beside a very beautiful woman who had reached the age of 30 with all the freshness of her youth, but without a husband.

"Do you never think of getting married?" asked the senator.

"Think of it?" she replied, with some asperity. "I worry."—Baltimore Sun.

The crowned heads of every nation, the rich men, poor men and misers all join in paying tribute to DeWitt's Little Elder Pills.

H. Williams, San Antonio, Tex., writes: Little Elder Pills are the best I ever used in my family. I enthusiastically recommend them to everybody. Sick headache, biliousness, constipation, torpid liver, jaundice, malaria and all other liver troubles. H. C. Miller.

The protest of Great Britain against the passage of Russian war ships through the Dardanelles has caused agitation in political circles at Constantinople. It is believed Austria and Italy will support the protest, France and Germany remaining neutral.

The Secret of Long Life
Consists in keeping all the main organs of the body in healthy, regular action, and in quickly destroying deadly disease germs. Electric Bitters regulate stomach, liver and kidneys, purify the blood and give a splendid appetite. They work wonders in curing kidney troubles, female complaints, nervous diseases, constipation, dyspepsia and malaria. Vigorously health and strength always follow their use. Only 50c guaranteed by H. C. Miller.

The report of Special Commissioner Kinley, in the Missouri suit against the beef trust, finds the Armour Packing Co., Hammond Packing Co., Cudahy Packing Co., Swift & Co., Nelson, Morris & Co. and Sulzberger Co. all guilty of conspiracy.

New Century Comfort
Millions are daily finding a world of comfort in Bucklen's Arnica Salve. It kills pain from burns, scalds, cuts, bruises, contusions, ulcers and fever sores; cures rashes, salt rheum, boils and felonies; removes corns and warts. Best pile cure on earth. Only 25c at H. C. Miller's.

German papers now criticize the Monroe doctrine and say that Germany has never recognized it, and probably never will, and that the South American republics are regarded in Germany as sovereign states which must, as such, pay their debts.

One Hundred Dollars a Box
is the value H. A. Tisdale, Summerton, S. C., places on DeWitt's Witch Hazel Salve. He says: "I tried the piles for 20 years. I tried many doctors and medicines, but all failed except DeWitt's Witch Hazel. It cured me." It is a combination of the healing properties of Witch Hazel with antiseptics and emollients; relieves and permanently cures blind, bleeding, itching and protruding piles, sore, cuts, bruises, eczema, salt rheum and all skin diseases. H. C. Miller.

President Ripley of Atchison says: "Population is pouring into the southwest. Of the 1,500,000 annual increase of population in the United States the southwest is gaining at least 500,000 a year."

Scientist Describes Evolution of a "Jag"
Had the tipplers of Boston been present at the lecture of Prof. H. P. Bowditch they would have been interested, for the professor technically described the process of obtaining a "jag."

Prof. Bowditch says: "The face becoming flushed with alcohol is evidence that the body is cooling off."

"The man who takes a drink before going on a sleigh ride does not understand all its properties."

"The reason a man 'sees double' when carrying a 'jag' is because of the inability to control the muscles of the eye."

"Alcohol effects complete nervous prostration and breaks up control of the emotional faculties."

"From inability to control the muscles follows a state of coma."

In a reading-class a little girl read thus: "The widow lived on a lumbay left her by a relative."

THE DRAUGHT'S

THE GREAT FAMILY MEDICINE

Thedford's Black-Draught has saved doctors' bills for more than sixty years. For the common family ailments, such as constipation, indigestion, hard colds, bowel complaints, chills and fever, biliousness, headache and other like complaints no other medicine is necessary. It invigorates and regulates the liver, assists digestion, stimulates action of the kidneys, purifies the blood, and purges the bowels of foul accumulations. It cures liver complaint, indigestion, stomachic, dizziness, chills, rheumatic pains, headache, backache, kidney troubles, constipation, diarrhoea, biliousness, piles, hard colds and headache. Every drug-gist has Thedford's Black-Draught in 25 cent packages and in mammoth size for \$1.00. Never accept a substitute. Insist on having the original made by the Chattanooga Medicine Company.

I believe Thedford's Black-Draught is the best medicine on earth. It is good for any and everything. I have a family of twelve children and for four years I have kept them on foot and healthy with no doctor but Black-Draught. A. J. GREEN, Ilwaco, La.

Putting Him Down.
A young matron, whose girlish appearance sometimes subjects her to the persecutions of impudent strangers, recently rebuked one of those public nuisances on an elevated railroad train recently. He was dressed in a style that he regarded as very "fashionable," and he ogled the young woman persistently. Finally he edged through the crowd until he was directly in front of her, when he bent down and lifting his hat, said:

"Beg pardon, but I'm sure I've met you somewhere."

"Oh, yes," began the young woman, in a pleasant voice.

"Delighted," broke in the youth, ecstatically.

"You are the young man who calls on our cook," continued the young woman in a clear voice. "I'll tell Bridget I saw you."—New York Evening Post.

The late Sol Smith Russell dearly loved a joke, even though he himself was the subject of it. He used to tell about meeting an old farmer at a railway station in a small New York town whose philosophy was particularly hard even though his deductions were hardly complimentary to the actor.

Russell and his companions were awaiting the train when the old gentleman walked up, eyed the star a minute or two and asked:

"Be you the feller that cut up capers at Parker's Hall last night?"

"My company and I gave a performance there last evening—yes," replied Russell, politely.

"I thought so! I was there and I had to laugh sometimes. I wanted to tell you about my boy. He's just your way—ain't no good for work. Won't stick to anything, but wants to play clown and crack jokes all the time. He's got a job at the huf factory, but all he does is to keep the men a-laughin' when they order be workin'." You order take him 'long with your troupe, for he's the derndest fool I ever seen!"
